

ROYAL BABIES A Heir-Raising History
Alison James

ROYAL BABIES

A Heir-Raising History

Hardcover Special Edition

The British Royal Family – the world’s most famous and fascinating monarchy – is enjoying a renaissance as the Duchess of Cambridge gives birth to her third child.

In celebration of the arrival of the fifth in line to the throne, ‘Royal Babies – A Heir-Raising History’ goes behind Palace doors to discover the pleasures, pain and pitfalls of Royal pregnancies, births and babies through the ages.

KEY SELLING POINTS:

- The British Royal Family is the most famous, most fascinating monarchy in the world.
 - The House of Windsor is currently experiencing a peak in popularity, guaranteed to rise even higher with the birth of Duke and Duchess of Cambridge’s third child in April.
- Astonishing true stories – some little known - surrounding the production and arrival of British Royalty down the years.
 - The Royal Family’s family history is perennially popular.
- The miracle of birth combined with the magic and mystery of majesty.
