NIRVANA

Teen Spirit

HARDCOVER SPECIAL EDITION

The full story of the band, their key concerts and all their recordings.

Nirvana were known as the kings of grunge while singer songwriter Kurt Cobain became a cultural icon who spoke to an entire generation and they were for many years the worlds most important rock act.

They had instantaneous success with 'Smells Like Teen Spirit', which stormed the charts. In Utero, was the last studio recording released by Nirvana. The demons that made Cobain's writing so powerful took their toll; he took his own life after only five albums. Nirvana's influence is certain to be felt for many years to come. The unique status this band occupies, as representatives of the time and as timeless songwriters, is revealed through interviews with those close to the band, coupled with intensive archive research.
