

50th anniversary of the moon landing 1969-2019

JOURNEY TO THE MOON

ILLUSTRATED HARDCOVER BOOK

50 years ago in July 2019 the human race's fascination with the Earth's moon went into overdrive when Neil Armstrong, Buzz Aldrin and Michael Collins landed on the surface.

To celebrate this significant anniversary, we take an in-depth look at the Apollo program and how it landed man on the Moon as well as all the fascinating facts about the celestial body itself.

Find out everything you ever wanted to know about the Moon.

How it was formed?

What's on the far side?

Who owns it?

...and for those wanting to get up close and personal, you can use our handy tour of its craters and seas before learning how to take your own photographs and analemmas.

Put together by a team of experts in each specific field this book really is everything you need to know about the moon.
