

Explore one of the world's greatest civilisations

ANCIENT EGYPT & THE
GOLDEN
PHARAOH

ILLUSTRATED HARDCOVER BOOK

In 1922 a magnificent discovery captured the attention of the world. As Howard Carter slowly unveiled the opulence of Tutankhamun's newly located tomb, people from every corner of the world were enthralled.

Egyptomania gripped the world. The rituals and beliefs of a highly advanced society were once again exposed; this was the most influential breakthrough in Egyptology since the Rosetta Stone had been discovered by Napoleon's men and later deciphered by 19th century scholars.

In **Ancient Egypt and the Golden Pharaoh**, we will step back in time and walk the banks of the River Nile to learn what made this society one of the most powerful ancient civilisations in history. We'll introduce you to some of the most iconic and infamous pharaohs, tour the awe-inspiring landmarks raised in their honour and identify the religious tenets that guided everyday life in Egypt. You'll explore the grisly burial rituals that ensured safe passage to the afterlife and even learn to read the hieroglyphics that adorn surviving monuments and papyri.

BIBLIOGRAPHIC INFORMATION:

Format: 210 x 270 mm Hardback Book

Extent: 160 pages

Illustrations: 200+

Text: 15,000 words

ISBN: 978-1-912918-18-8
