

## ALEXANDER McQUEEN REDEFINING BEAUTY

### LIMITED EDITION ILLUSTRATED HARDCOVER BOOK

“**Alexander McQueen - Redefining Beauty**” is magnificently adorned with some of **Lee Alexander McQueen’s** most riveting designs, and the narrative illuminates the personal and professional struggles of a man who dared to defy accepted norms in the cavernous halls of fashion and give the world a new sense of the grandeur of which human creativity is capable.

From conflicted gay teenager, aggressive and remote young man, through to his lonely suicide, the book charts **Alexander McQueen’s** ascent to couturier par excellence, highlighting his spectacular shows and showing how his confrontational, streetwise manner was simply a shield that protected and masked a very shy, sensitive and insecure man who hailed from the wrong side of the high fashion tracks.

“**Alexander McQueen - Redefining Beauty**” will imprint upon the reader never to be forgotten images of his explosive designs, illuminate his talent and delve into the mind of a man who was Britain’s most unpredictable, tormented and spectacular fashion designer.
