

## THE BEATLES ON VINYL

Peter Crisp

# THE BEATLES ON VINYL

## HARDCOVER SPECIAL EDITION

The Beatles. Not all Beatles fans know everything about the Beatles. Not all grew up with them. Not every fan has all of their singles gathering dust at the back of the loft. But now, with the huge resurgence in collecting and playing vinyl, the Beatles' records are more sought after than ever. Thankfully, not everyone wants Beatles records for their monetary value or as an investment ... but to play them on a record player and listen to some of the greatest music of the last 60 years.

In this independent, in-depth, illustrated publication, music writer, journalist, Beatles fan and obsessive record collector Pete Crisp points like-minded enthusiasts – old and new – in the right direction when it comes to choosing the very best Beatles recordings among the hundreds of (sometimes confusingly complicated) options available.

## KEY SELLING POINTS:

- This 30,000-word analysis includes every UK and US Beatles studio album, reviewed and rated
- Additional sections covering the Beatles' live LPs and their very best compilations and boxsets
  - More than 30 Beatles UK and US singles listed and reviewed
    - Details on all 16 Beatles UK/US Extended Play EPs
- The perfect tie-in with global recognition of 50 years since the Beatles split and increased popularity in collecting Beatles vinyl
- Colour LP and EP cover images plus superb photographs of the band throughout their world-shattering careers
